INTRODUCTION

The MassHire North Central Workforce Board, Inc. (MHNCWB) oversees the economic and social welfare of the residents of the North Central area through support of education, training and employment programs and services. This oversight board was first created as the Private Industry Council under the federal Job Training Partnership Act and in 1988 was designated the Workforce Investment Board by state legislation. While the JTPA legislation increased the involvement of the private sector in publicly funded job training, the state legislation increased the oversight and policy making responsibilities of the board in the areas of employment training and retraining. The Workforce Investment Act of 1998 solidified the business, education, and community partnership concept. The proposed services will be funded under the Workforce Investment Act of 1998, P.L. 105-220, 20 USC 9201 and its amendments through Workforce Innovation Opportunity Act (WIOA) of 2014. MHNCWB has been designated by the Mayor of the City of Leominster as the Workforce Investment Board for the North Central region.

In general, WIOA took effect on July 1, 2015, the first full program year after enactment, unless otherwise noted. The United States Department of Labor (USDOL) published the final WIOA Regulations on 8/19/16 in the Federal Register. Additional youth guidance was issued 3/2016 TEGL No. 21-16 and 8/2017 TEGL No. 10-16 Change 1.

President Barack Obama signed the Workforce Innovation and Opportunity Act (WIOA) Amendments into law on July 22, 2014. WIOA provides amendments to WIA and is designed to help job seekers access employment, education, training and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. Congress passed the Act by a wide bipartisan majority.

The MHNCWB has created a subcommittee, called the Youth Council, to oversee a comprehensive youth development system in the region. The Council is comprised of strategic members who bring programs and resources to the table. It fosters and promotes the well-being of 14-24 year olds in the workforce investment area by linking its programs to form the framework for the system. The Youth Council strives to increase the employability of young people and to expand their employment options. The programs and services solicited by MHNCWB via this Request for Proposals are targeted toward youth who are economically or educationally disadvantaged, unemployed, disabled, or confronting other barriers to employment.

The primary vehicle for accessing WIOA programs and services is through MassHire North Central Career Center.

MHNCWB must approve all WIOA Youth funding awards as a result of this solicitation. The Board consists of representatives from business, labor, education, employment/training, vocational rehabilitation, housing, the Job Corps, community-based organizations, other government agencies, and economic development organizations.

GENERAL INFORMATION

As designated by the Mayor of the City of Leominster the MassHire North Central Workforce Board, Inc. administers training and employment programs under the Workforce Investment Act of 1998 and the Workforce Innovation and Opportunity Act of 2014. MHNCWB is inviting interested agencies to submit proposals for delivering Out of School Youth Service programs under WIOA. This Request for Proposals (RFP) is for the period beginning on or after July 1, 2020 and ending on or about June 30, 2021 and for the period of July 1, 2021 and ending on or before June 30, 2022.

It is the intent of MHNCWB to fund programs that help youth who have serious barriers to future employment. Programs funded under this RFP will provide an improved youth program linked more closely to the needs of the local labor market, community youth programs and services, and programs with strong connections between academic and occupational learning. The MassHire North Central Workforce Board, Inc. is seeking youth programs that promote youth development and citizenship, such as leadership development through voluntary community service opportunities; adult mentoring and follow up; pregnancy prevention strategies; and targeted opportunities for youth living in high poverty areas. Special consideration will be given to innovative programs that combine the WIOA fourteen elements in creative ways.

Financial or other obligations (including performance) under this RFP are conditional upon the availability of funds appropriated by the United States Congress, the United States Department of Labor, and the Commonwealth of Massachusetts. MHNCWB reserves the right to terminate or adjust this RFP to conform to available funds.

Who Can Apply?

Program Design/Statement of Work

Youth activities under WIOA will be part of a systematic approach to offer youth coordinated and comprehensive services. Rather than continuing separate, categorical programs and activities, Youth Councils will facilitate the provision of a menu of services specific to a youth's individual needs. Services should be provided in any combination during a youth's development. The static system of enrolling a youth in an activity and attaining one result is replaced by a dynamic system where a young person's education and workforce needs are addressed throughout his/her youth years.

Successful bidders to this RFP must demonstrate the capacity to successfully recruit, assess and provide the essential elements to eligible out of school youth.

1. The training period for year one is anticipated to be July 1, 2020 through June 30, 2021; year two is anticipated to be July 1, 2021 through June 30, 2022.

- (B) Include the development of service strategies for each participant that is directly linked to one or more of the performance indicators. Performance indicators include placement in employment, education, training, attainment of a credential, and in program skills gain. 5. comprehensive guidance and counseling, which may include drug and alcohol abuse counseling and referral, as appropriate;
6. leadership development opportunities, which may include community service and peer-centered activities encouraging responsibility and other positive social and civic behaviors, as appropriate;

Not every youth will require every service. The successful proposer will have the discretion to determine what specific program services will be provided to a youth participant, based on each participant's objective assessment and individual service strategy. However, all services must be available to all youth as indicated on the Individual Service Strategy. If the bidder is partnering with one or more agencies, a clear plan must describe how youth will access services provided by each partner (including referral, tracking of activity and competency attainment, and 12 months follow up services, etc.).

For those programs where it is appropriate, MassHire North Central Workforce Board, Inc. is requesting the proposer include in their plans the placement of job ready youth into private sector employment situations. This plan should describe how youth will be judged ready for employment, and how the responder will develop the private sector jobs into which the youth will be placed. In addition, the responder must fully detail how the academic enrichment portion of the summer component will interface with private sector employment.

The proposer shall provide a curriculum for each training course(s) that includes:

- d. Training modules and counseling approaches;
- e. Teacher/student ratio;
- f. The skills, knowledge, attitude and behavior to be taught;
- g. The levels of achievement to be attained which will enhance the youth's employability and opportunities for work experience.

The proposer will include in the training plan appropriate time to administer the TABE Test or other nationally normed test instruments as the means for measuring

competency attainment. **The specific test to be administered will be identified by the proposer, and used as both the pre and post-test.**

Programs may provide youth with a stipend for job shadowing and/or work experience components or an incentive payment for attendance. Please attach a detailed incentive plan. Please include the anticipated hours for each student per week as well as total number of weeks. Amount of monthly payments for attendance will be negotiated and based on funding availability.
